

## Orchestra Private Lessons Program and Parent Permission Form

Private lessons are a wonderful opportunity for students who wish to further enrich their string studies. Most lessons occur during orchestra class, while others may be before or after school if the teacher is available. The schedule will be set as these forms are received on a first come, first serve basis. The private lesson tuition is set by LISD and is \$18/\$20 (non-degreed/degreed teacher) per half hour lesson. Payment is due directly to the lesson teachers. Private teachers pass a very thorough background check as well as an interview process with LISD.

Once the private lesson form is submitted the instructor will contact you to set up the lessons. Please contact Mr. Cautivar with any questions.

I give my permission for \_\_\_\_\_ to participate in the private music instruction program understanding that the instructor delivering the lessons will charge a fee of \$18/\$20 for individual lessons and that payments are due as billed by the private lesson instructor.
